ICC History

The Island Community Center, Inc. was developed to meet recreational, social and well-being needs for the island community. In 2002, the ICC was incorporated and was granted 501 (c)3, non-profit status by the IRS. The facility, formally the Stonington High School, is under a lease agreement with the town of Stonington. We are governed by a term-limited Board of Trustees, consisting of local citizens, a student member and one selectman from each town that serve as an ex-officio board member. We run with part-time staff that depends on community volunteers to assist with our programs. We currently utilize the gymnasium, rooms and the entire building, housing the Island Pantry, General Store, thrift shop and the Bookstore. Through collaboration with many community organizations and individuals, we offer a variety of programming that enhance our local community and those that live here.

The board and staff dedicated to fulfilling our mission.

VOLUNTEER OPPORTUNITIES

Volunteer support is integral to the success of the ICC. We depend on a variety of expertise, ideas and skills to expand our events and appeal to a greater base of users.

Call 367-2735 with your thoughts and to volunteer your experience.
