

Island Community Center Christmas Lighting Contest Winners

Judging for the ICC Christmas Lighting Contest was held on the evening of December 18, 2008. Reviving the old island tradition, we were met with wonderful, bright holiday cheer from so many community households. The spirit of the season sparkled through unique, whimsical and traditional displays. Judging was far more difficult than anticipated as there were so many wonderful exhibits of holiday spirit. Winners are as follows:

Tie for 1st: 1st Best Overall Display: Leslie & Brad Rice and Sherry & Don Rochefort

2nd Best Overall Display: Heidi & Brian Burgess

Honorable Mention Overall Display: Mary and Peter Hutchinson

Best Nautical: Lorraine Weed

Most Spirited: Carlos and Jeanne Amaral

Most Voltage (Wattage): Terri-Lee Jones

Most Original: Sandra & David Wiberg

The judges were very impressed with some business windows and have awarded a 1st place ribbon to Olsen Electronics, 2nd Place Ribbon to Island Approaches and a 3rd place ribbon to the Maritime Café for their lovely displays.

Equally impressive and in need of pointing out were holiday displays at Jon Thompsons, Danny and Casey Parker's, Dowe Eaton, Sally Rice, John Snowden, Chris Burrin, David Pearson, Tara Higgins, Elaine Parke, Bobbi Billings, Union Trust Co., and Evelyn Siebert.

It was a light and cheery event that we hope brightened our community with an extra touch of holiday spirit. We're all looking forward to a busy, eventful new year here at the center. We sincerely wish you all a healthy and happy 2009.
